+ Leader Covenant

As FISH Leaders we commit to prayerfully deepening our presence with God so that we might:

- be present to the youth entrusted to our care;
- point to God's presence among and around us;
- help others explore the big questions of their lives and faith;
- create circumstances and an environment where we *all* feel comfortable and challenged;
- see and hear others with compassion;
- do little kindnesses;
- and embrace and accept our imperfections.
